

University of Greenwich

Electrical and Electronic Engineering

Study details

Course type: Bachelor's degree

Degree: BEng (Hons) Electrical and Electronic Engineering

Study mode: Full time

Duration: 48 Month

Cost of study

Cost : 16 895 GBP6

Reg. fee : N/A GBP6

Scholarship :

Insurance : N/A GBP6

Intake/s

Jan/Sep

Requirements

Country specific academic qualifications:

- Achieving Certificate of Secondary General Education with a minimum grade of 10
- UKVI IELTS minimum 5.5 with no less than 5.5 in each skill

Accommodation

With a range of comfortable and modern rooms close to campus, the University of Greenwich provides high-quality accommodation perfectly suited to your needs.

- Free Internet and Wi-Fi across all locations
- 24/7 residential support
- All utility bills included
- Contents insurance is included

Speciality

If you do not meet the requirements for your chosen programme you can choose to study 1 or 2 terms of English language preparation beforehand.

IY0(Science)

placement year included

Additional information

Degree Overview

This electrical and electronic engineering degree will provide you with the fundamentals of electrical and electronic engineering, including electrical circuits, control and instrumentation, electromagnetic waves, and communication networks design. Through this course you'll also learn about pioneering approaches in this field and how to apply these to real-world problems. A project in a subject of your choice will help develop your professional skills through modules designed to prepare you for a successful career in engineering.

Study Reasons

- The Institution of Engineering and Technology accredits this degree on behalf of the Engineering Council.
- Benefit from the extensive specialist labs, including telecoms, power, control and robotics labs at the University of Greenwich
