## Additional information

## Degree Overview

The Bachelor of Outdoor Recreation is designed to meet the growing demand in Australia for qualified individuals within the fields of recreation, adventure tourism and eco-tourism by providing essential knowledge, practical skills and leadership opportunities.

Practical competence and professional standards are at the core of this program, providing students with extensive practical experience in outdoor leadership in various natural environments. Pursuits include white water kayaking, sea kayaking, canoeing, rock climbing, abseiling, bushwalking and mountain biking.

## Study Reasons

- Graduate job-ready with industry-specific skills and knowledge
- Benefit from a unique, personalised approach to education and pastoral care

- Lecturers are industry professionals and leaders in their field
