Tuition fees for International students will increase by no more than 5% per year for the length of your course.

Additional information

Degree Overview

Achieving a sustainable global economy requires that businesses respect human rights. On this course you will learn about the legal regulation and practical tools needed to implement human rights in the marketplace.

Business and human rights expertise is increasingly in demand in legal practice and across established and new industrial sectors, finance, government, the media, and civil society organisations. On this course you will develop the skills and knowledge required to pursue a career in this emerging field.

This course combines legal knowledge with insights not just from Law but related disciplines, as well as real life practice.

You will be taught by internationally-recognised experts with experience of advising governments and international businesses, legal practice, and human rights advocacy.
