## Additional information

### **Learn business analytics by doing it**

Develop the skills to become a data-driven business leader in a complex global environment. Dive into the world of data analysis, forecasting, prescription, and optimization while you work in parallel to hone your collaboration and communication skills as well as gaining critical business knowledge to maximize your impact. Work in cross-cultural teams and gain a global perspective as you tackle real-world business challenges that are integrated into your entire program.

### **Program building blocks**

Gain the foundational business skills needed in any marketing career with a practical, challenge-based approach that enables intensive skills development and continuous practical application.

Whether you have a clear career target or want to try different paths, your electives give you flexibility to increase your knowledge across a range of business subjects.
