Requirements

Entry Requirements

Academic Qualifications:

- Two H5 grades and four O6/H7 grades in the Irish Leaving Certificate.

Or

Overseas equivalent qualifications:

- Must align with a level-8 Business award in the QQI standard. IBAT College Dublin uses the NARIC system for qualification comparison

Mature Applicants:

- Must be at least 23 years old by 1st January of the year of admission
- No standard academic entry required, but applicants must provide evidence of prior learning, work experience, motivation, and commitment (CV, personal statement, work references, and any relevant training courses)

Recognition of Prior Learning (RPL):

- Applicants with relevant prior learning may enter directly into Stage 2 or the Award Stage.

English Language Requirements

- **Native English speakers:** No further proof required
- **Non-native speakers:** IELTS Academic score of 6.0 or equivalent
- **Alternative:** Duolingo English Test with a minimum score of 105 (equivalent to IELTS 6.0)
- **Other Qualifications:** If you completed your final education in English, consult with the Admissions Team for validation awards.

Proof of Finance Requirement:

You'll need to show you can cover €10,000 per year to cover living costs in Ireland, in addition to your course fees.

There are two easy ways to do this:

Bank statements

- 6-month account history
- Proof of savings or sponsorship

Education bond

- €10,000 payment option
- Approved by Department of Justice

Visa Information and Medical Insurance

- Depending on your nationality, you may be required to apply for a visa to study in Ireland.
- It is the enrolling student's responsibility to inform us when they have submitted their visa application. A visa reference number and date of submission is required.
- If your visa application is refused, a refund (minus a €250 administration fee and €130 medical insurance, if MI has been purchased through the college) will be returned to you. Please note that we reserve the right not to refund fees where false, fraudulent, or fake documents have been submitted as part of a visa application.
- If your visa application is successful, you must send confirmation to us directly with a copy of the stamp on your passport.
- Please allow sufficient time to process the visa application, as it can take anywhere from 4 to 16 weeks. you will also need to notify us when you hope to travel before the start of the course so that we can provide you with additional details, such as accommodation, timetables, registration, induction schedules, and possible part-time job opportunities available (if required).

Accommodation

Campus Facilities

Whether you need a desk, a quiet library room, or an IT lab, we have the spaces and equipment you need for deep focus and productivity.

IT Labs

We have four dedicated IT labs across our two campuses equipped with various specialist programmes designed for courses including Data Analytics and Graphic Design.

During induction, each student is provided with a login account for accessing the IBAT College Dublin Learning Portal. Once they log in, students can access numerous support services which have been customised specifically for them and their area of study including:

- Module selection and notes for all classes
- A forum section containing many threads, which range from discussions on areas of study, organising study groups, best reading lists and study material, selling second-hand books, and organising social and sporting events within the college.
- A student feedback service for each module that enables immediate feedback to the academic team

Using Google apps, the following communication and collaboration services are provided to all registered students:

- Gmail – Provides all students with 25 gigabytes of storage per account
- Google Talk – Lecturers and students can call or send instant messages to each other for free
- Google Calendar – Students can organise their schedules and share events, meetings and entire calendars
- Google Docs – Provides students with 25 gigabytes of storage for storing and sharing files 24/7 from any computer inside or outside the college

Speciality

Three days per week

Additional information

Programme Overview

The BA (Honours) in Business is designed for school leavers and mature students aiming for a career in business. It provides a broad understanding of key business disciplines, including management, marketing, finance, HR, economics, ICT, and entrepreneurship. The programme prepares students for a successful career in diverse, global business environments, focusing on industry-relevant skills and competencies..

Through practical assessments and industry feedback, students gain confidence, teamwork and communication skills. You can choose between a Business Project or Professional Practice Project to specialise in a particular area of interest.

Upon completion, graduates will:

- Gain in-depth knowledge of key business areas and the role of modern technologies in business
- Apply business theories creatively to solve real-world problems
- Analyse business data and present solutions effectively
- Demonstrate professional attributes, critical thinking, and problem-solving skills
- Contribute to business development and understand ethical implications
- Work effectively in diverse, interdisciplinary teams, leading with initiative and self-direction
- Take responsibility for their own and others' professional growth, staying open to new business practices

- Understand the broader social, political, and legal contexts in which business operates, maintaining high ethical standards
