Additional information

An exceptional learning environment

The MSc Wine Management is taught at the **School of Wine & Spirits Business**, boasting **unique facilities** — the only ones of this type in the world entirely dedicated to training:

- **The Wine & Spirits Business Lab**: a behavioral research laboratory dedicated to the world of wines and spirits?
- **The Tasting Room**: a fully equipped room for tastings?
- **The Wine Cellar**: an exhibition cellar at the entrance of the School of Wine & Spirits Business, presenting the greatest wines from France and elsewhere?
- **The Spirits World**: a space dedicated to the discovery of spirits.

A unique pedagogical approach

The **“Active Learning” learning method** of the MSc Wine Management provides training in **practical knowledge of the product as well as its commercial management**.

True to BSB's core values, we deliver **specialized and personalized education** in classes of 35 students maximum. You will participate in group work and workshops. **Business games, applied simulations, creation of business plans** : students learn all the marketing and management techniques specific to the wine and spirits industry. WSET 2 training is part of the program (WSET 3 level is optional)
