Requirements

Admission Requirements

The admission requirement for an MBA program at **CBS** is a **first academic degree (Bachelor's, Master's)** from a **recognized German or international university, university of applied sciences, or professional academy** with a **final grade of at least "good ."** If this **grade point average** was not achieved in **the first degree program** , a **separate admissions process** must be completed. The **first degree program** should comprise a **total of at least 180 ECTS credits** . You also need **at least one year of professional experience** .

English Requirements

For the **English-taught MBA programs** at **CBS** , **proof of sufficient English language skills** is required. This can be demonstrated through **recognized language certificates** such as the **TOEFL (at least 83 points)**, **IELTS (at least 6.5)**, or the **Cambridge Certificate (at least B2 or C1 , depending on the program)**. Alternatively, a previously **completed English-taught degree** or **proven international professional experience** can serve as **proof of language skills** . If you are **unsure** whether your **English skills meet the requirements** , you can **contact CBS** or take an **internal language test**.

Accommodation

Studying in Cologne means living in one of Germany's **most vibrant** and **diverse cities** . The **Rhenish joie de vivre** , the famous **Kölsch beer** , the **Cologne Carnival** , and the impressive architecture, such as **Cologne Cathedral** , make the city a **unique place** to study. In Cologne, you'll become part of an **international** and cosmopolitan community that shapes the cityscape.

The **large** and **modern** CBS campus in Cologne is located in the popular Rodenkirchen district, **directly on the Rhine** , and offers a perfect blend of a quiet , green location and attractive infrastructure. At the same time, thanks to **excellent transport links**, you can quickly reach the **center of Cologne** and enjoy the city's diverse offerings.

Speciality

In certain cases, an **MBA program** is possible even **without a traditional bachelor's degree** . Those with **extensive relevant professional experience** in a **related field** may **qualify for the program under certain conditions** . A **higher degree** , such as a **diploma or state examination** , may also be recognized as an **alternative entry requirement** . CBS offers **individual counseling** to explore the **best possible entry options** .
