#### Cost of study

**Cost :** 20 700 EUR

**Reg. fee :** N/A EUR

**Scholarship :**

**Insurance :** N/A EUR

#### Intake/s

Apr/Jan/Sep

#### Requirements

### GCE/GCSE

The minimum requirements are:

- five passes at GCSE grade C (or grade 4) or above, including English Language or Use of English (IGCSE English as a Second Language, grade B or grade 6), and at least two subjects at A level OR
- three passes at GCE A level and a pass at grade C (or grade 4) or above in GCSE English Language or Use of English.

Offers are normally based on achieving three A levels or equivalent at Level 3, although some University subject areas may specify differently. You must have a minimum of two A level equivalents at Level 3 in two subjects (ie two A levels or one vocational double award).

We base offers on a combination of GCSE/AS/VCE A level/A level/other qualifications or predicted grades, your personal statement and reference.

See our GCSE conversion table to understand how A\* to C grades are matched with the numerical system.

### Other qualifications

We are happy to consider other qualifications on a case-by-case basis, including the following qualifications, providing they demonstrate a satisfactory standard and include a pass in English at the equivalent of GCSE:

- Scottish (SQA) higher/advanced higher qualifications
- Irish Leaving Certificate
- European Baccalaureate Diploma
- Certificate in Education
- university degree
- Advanced International Certificate of Education
- Advanced Placement (AP) – a minimum of two full APs is required
- Overseas certificates (including some other European Union (EU) countries)
- Higher School Certificate of Matriculation of approved overseas and EU authorities
- American High School Diplomas if accompanied by two full AP passes
- School Certificates and Higher School Certificates awarded by a body approved by the University
- matriculation from an approved university, with a pass in English Language at GCSE/O level or an equivalent level in an approved English language test
- Kent's foundation programmes, provided you meet the subject requirements for the degree course you intend to study

## Subjects accepted for the General Entry Requirement

- Kent generally accepts any A level syllabus approved by the AQA, OCR, WJEC and Edexcel and CIE awarding bodies, though we regard some subjects as more suitable than others.
- We do not accept the more vocational subjects if offered as one of only two A level passes.
- We count subjects with a significant overlap as one subject.
- We may accept two mathematical subjects at the same level provided that the course syllabuses were substantially different (for example, a combination of Pure and Applied Mathematics or of Mathematics and Further Mathematics). We will accept papers in Mathematics and Further Mathematics set on the SMP syllabus. A level 'Use of Mathematics' is not accepted by some degree subjects as meeting requirements for a specific grade in A level Mathematics.
- Some academic schools **may** take into consideration passes in Level 2 functional skills communication and numeracy where you cannot meet the matriculation requirements for English and Maths at GCSE level. However, you are advised to try to retake GCSE English and Mathematics as these will provide a better preparation for studying at university.

## English Language Requirements

| Level     | CEFR | IELTS Equivalent                            |
|-----------|------|---------------------------------------------|
| Good      | B2   | 6.0 with a minimum of 5.5 in each component |
| Very Good | B2   | 6.5 with a minimum of 5.5 in each component |
| Excellent | C1   | 7.0 with a minimum of 7.0 in each component |

## Accommodation

- Fully furnished room
- Self-catered or meal plan options available

- Free membership to Kent Sport
- 24/7 security and support
- UoK is partnered with UniKitOut for students essentials

## Speciality

**Pathways Available:** International Foundation Year | International Year Zero

## Additional information

## Degree Overview

Kent's Accounting and Finance graduates move into a range of careers within the world of business. Many go on to become chartered, certified or management accountants working at top accounting firms, including the 'Big 4', as well as other local, national and international firms.

The course is accredited by five professional accounting bodies, allowing you to gain exemptions from their exams and kickstart your career if you want to become a chartered accountant, or gain an edge if you see yourself working in the fields of finance.

Develop the data handling skills that employers are looking for in graduates made at KBS by working on real-time business data in our Bloomberg Finance Lab. You'll learn from our expert academics and industry professionals through lectures, seminars, and practical sessions.

Recent graduates have taken up positions with a wide range of companies, including:

Deloitte  
Accenture  
Burgess Hodgson  
Deutsche Bank  
Ernst & Young  
Fidelity Investment  
HSBC  
KPMG  
Pricewaterhouse Coopers (PwC)
