Additional information

Focus on your future with the MAEd C&I – Inclusive Learning Environments online program

Make a lasting impact on education with the online Master of Arts in Education in Curriculum & Instruction with a concentration in Inclusive Learning Environments program from Avila University. Become an expert in designing curriculum tailored to students with disabilities and diverse needs. Learn to create welcoming spaces where every student can flourish.

In this online program, you will explore how to create inclusive classroom environments that respect the unique cultural, social-emotional, and academic backgrounds of all students. Examine ways to develop lesson plans and select instructional strategies that cater to the unique needs of every student. Discover how innovative space design can enrich learning. Harness the potential of technology in education by leveraging digital tools to improve outcomes for all students.

In this education online program, you will:

- Foster an inclusive and cohesive learning environment that engages all learners through advanced knowledge of effective instructional models and curriculum planning
- Develop effective professional teaching and learning practices through the study of current evidence-based instructional strategies, data-based decision-making, and ever-evolving education technologies
- Bolster the knowledge and skills used in your daily teacher leader and learner practices to address a diverse range of learning needs in lesson design, instruction, evaluation, and assessment
- Learn how to employ a practitioner inquiry approach to study your teaching practice and students' learning needs
- Expand your ability to critically analyze scholarly work in the field of education

Career opportunities:

- Department Head
- Director of Curriculum and Instruction
