Additional information

Degree Overview

On this course, you will develop your accounting, finance and general business skills, including the various techniques and policies relating to corporate finance, reporting, statistics, and governance; tax; auditing; and management accounting. In addition, you'll gain transferable skills, such as time

and project management, communication, data collection and management, as well as IT skills that will future-proof your career.

This highly regarded course is accredited by major UK accounting institutes and is designed to prepare you for a range of careers. The course is run by our experienced academic staff who have strong industry connections and invite guest speakers from the public and private sectors regularly. Edinburgh is one of the UK's most prominent financial hubs, and thanks to Edinburgh Napier University's industry links, you'll be able to benefit from many internship, networking and employment opportunities.

We offer tuition that is supported by experienced teaching staff with strong industry connections. Guest speakers from the public and private sectors add value to the course.

Most importantly, this course is accredited by major UK accounting institutes including:

Association of Chartered Certified Accountants (ACCA)

Chartered Institute of Management Accounting (CIMA)

Chartered Institute of Public Finance & Accountancy (CIPFA)

Institute of Chartered Accountants of Scotland (ICAS)

Chartered Accountants in England and Wales (ICAEW)

Accreditations from these accounting bodies highlight the relevance of this course for the modern business environment.
