If you do not meet our academic grade requirements for your chosen course, we can offer you an alternative route to begin your studies. Our international incorporated degrees will develop your subject knowledge, academic English and university level study skills.

**Tuition fees for International students will increase by no more than 5% per year for the length of your course.**

### Additional information

## Degree Overview

This course will enable you to develop specialised legal expertise on the treatment of cross-border disputes internationally and in Europe. You will study conflicts of jurisdiction and laws, and the effects of foreign judgement.

You will be able to study commercial or family law aspects of private international law.

In addition to the core modules in private international law, you can choose from a wide range of options such as, commercial law, competition law, dispute resolution.
