Requirements

Admission Requirements

To study for a master's degree at CBS University of Applied Sciences, you generally need a successfully completed bachelor's degree from a state-recognized college or university . Depending on the master's program, this degree may be required in a related field . In individual cases, transfers are also possible, provided the relevant foundations have been acquired in another degree program. The exact requirements depend on the respective master's program.

English Requirements

For the **English-taught Master's programs** at CBS , **proof of sufficient English language skills** is required. This can be demonstrated through **recognized language certificates** such as the **TOEFL** with a minimum **score of 83** , the **IELTS** with a minimum score of **6.5** , or the **Cambridge Certificate** at at least **B2 or C1 level** , depending on the specific **program** . **Alternatively, a previously completed English-taught Bachelor's degree** can also serve as proof. Those **unsure** whether their **language skills meet the requirements** can **contact CBS** or take an **internal language test**.

Additional

- **The admission requirement for taking up a Master's degree in business at CBS is a first academic degree (Bachelor, Diplom, Magister) from a recognized German or international university, university of applied sciences or professional academy with a final grade of at least "good" .**

- If this **grade point average** was not achieved in **the first degree** , a **separate admission procedure** must be completed. The **first degree** should have been in a **business-related field** and **comprise a total of at least 180 ECTS credits** .

Accommodation

Studying in Cologne means living in one of Germany's **most vibrant** and **diverse cities** . The **Rhenish joie de vivre** , the famous **Kölsch beer** , the **Cologne Carnival** , and the impressive architecture, such as **Cologne Cathedral** , make the city a **unique place** to study. In Cologne, you'll become part of an **international** and cosmopolitan community that shapes the cityscape.

The **large** and **modern** CBS campus in Cologne is located in the popular Rodenkirchen district, **directly on the Rhine** , and offers a perfect blend of a quiet , green location and attractive infrastructure. At the same time, thanks to **excellent transport links**, you can quickly reach the **center of Cologne** and enjoy the city's diverse offerings.

Speciality

A **master's degree program without a traditional bachelor's degree** is possible in certain cases. Those with **extensive professional experience** in a **related field may qualify** for a degree program under certain conditions . Furthermore, some degree programs offer **alternative entry routes for experienced professionals with a higher degree** (e.g., **a diploma or state examination**) . CBS offers **individual counseling** to determine the **best possible entry options**.

Additional information

The Master's in **Global Supply Chain Management** prepares you for demanding leadership roles in international companies. This four-semester program combines in-depth **business administration content** with specialized topics in **logistics** and **supply chain management** . The fourth semester is dedicated to your master's thesis, which you can complete as part of an internship or a semester abroad. Classes taught in English optimally prepare you for working on global projects – the final degree is a Master of Science (M.Sc.)

In the Master's program in Global Supply Chain Management, you will develop a comprehensive qualification profile: strategic knowledge, practice-oriented approaches through a **business project** and a **business simulation game** , as well as **interdisciplinary electives** are key components. CBS places particular emphasis on teaching **soft skills** , which are particularly crucial in global supply chain management. As a manager in this field, you will work with a wide variety of company departments and people from different cultures – whether at a German headquarters or directly on-site in global supply networks.

The Master of Science in Supply Chain Management is perfect for anyone looking to specialize in high-level management roles in supply chain management. For professionals seeking a more flexible model, CBS also offers a part-time Logistics Master's program taught in German. Seize the opportunity to launch your career in a field with attractive future potential and become an expert in sustainable, digital, and global supply chains!
