

## Study Abroad Consultant Hub

## **Institute of Business and Technology**

## **Software Quality Assurance (Online)**

#### Study details

Course type: Professional Diploma

Degree: Diploma in Software Quality Assurance

Study mode: Full time Duration: 10 Week Month

**Cost of study** 

Cost: 5 000 EUR Reg. fee: N/A EUR

Scolarship:

Insurance: N/A EUR

Intake/s

Jun

#### Requirements

### **Entry Requirements**

This diploma is suitable for you if you are interested in gaining practical knowledge in the fields of manual and automatic software testing.

# Accommodation Speciality

Two evenings per week

• Tuesdays and Thursdays

#### **Additional information**

#### **Course Overview**

Software Quality Assurance (QA) and the software testing profession has evolved with the rapid growth in the rise of technology. Continuous work processes are integrated into software development processes to maintain stability and enable the evolving technology to function properly.

The work processes include planning according to structured methodologies, working according to work procedures and integrating testing tools and their application to work processes. It is important to implement these processes as part of an overall quality approach, as it ensures the survival and relevance of organizations in today's business environment. For this reason, the software testing

#### **Assessment**

The programme is assessed through a series of projects through the term.

We also look at sample questions for the International Software Testing Qualifications Board, though lbat Dublin is not a test centre for ISTQB and passing the ISTQB exam is not a requirement for completing the programme.

#### What is a Professional Diploma?

An IBAT Professional Diploma is a focused, short duration practical course that consolidates, upskills and/or reskills learners in a professional area. They are stand-alone qualifications that do not lead to an award on the National Framework of Qualifications (NFQ).
