Requirements

Entry Requirements

The Academic and English Language Proficiency entry requirements for the MSc in Business Management programme are as follows:

Academic:

Hold at minimum a 2.2 honours degree (level 8) **in a non-business discipline**, or an equivalent qualification, such as a professional certification, from a recognised educational institution in Ireland or abroad.

And English Language Proficiency:

With one of the following:

IELTS (Academic)	6.0, <i>no component less than 5.5</i>
DuoLingo	Min score 105, min 100 in each section (under review)
Pearson PTE Academic:	Min score of 55
TOEFL IBT:	Min score of 80
Cambridge English Qualifications	A minimum score of 180-190 (FCE Grade B)

Proof of Finance Requirement:

You'll need to show you can cover €10,000 per year to cover living costs in Ireland, in addition to your course fees.

There are two easy ways to do this:

Bank statements

- 6-month account history
- Proof of savings or sponsorship

Education bond

- €10,000 payment option
- Approved by Department of Justice

Visa Information and Medical Insurance

- Depending on your nationality, you may be required to apply for a visa to study in Ireland.
- It is the enrolling student's responsibility to inform us when they have submitted their visa application. A visa reference number and date of submission is required.
- If your visa application is refused, a refund (minus a €250 administration fee and €130 medical insurance, if MI has been purchased through the college) will be returned to you. Please note that we reserve the right not to refund fees where false, fraudulent, or fake documents have been submitted as part of a visa application.
- If your visa application is successful, you must send confirmation to us directly with a copy of the stamp on your passport.
- Please allow sufficient time to process the visa application, as it can take anywhere from 4 to 16 weeks. you will also need to notify us when you hope to travel before the start of the course so that we can provide you with additional details, such as accommodation, timetables, registration, induction schedules, and possible part-time job opportunities available (if required).

Accommodation

Campus Facilities

Whether you need a desk, a quiet library room, or an IT lab, we have the spaces and equipment you need for deep focus and productivity.

IT Labs

We have four dedicated IT labs across our two campuses equipped with various specialist programmes designed for courses including Data Analytics and Graphic Design.

During induction, each student is provided with a login account for accessing the IBAT College Dublin Learning Portal. Once they log in, students can access numerous support services which have been customised specifically for them and their area of study including:

- Module selection and notes for all classes

- A forum section containing many threads, which range from discussions on areas of study, organising study groups, best reading lists and study material, selling second-hand books, and organising social and sporting events within the college.
- A student feedback service for each module that enables immediate feedback to the academic team

Using Google apps, the following communication and collaboration services are provided to all registered students:

- Gmail – Provides all students with 25 gigabytes of storage per account
- Google Talk – Lecturers and students can call or send instant messages to each other for free
- Google Calendar – Students can organise their schedules and share events, meetings and entire calendars
- Google Docs – Provides students with 25 gigabytes of storage for storing and sharing files 24/7 from any computer inside or outside the college

Speciality

Three days per week

Additional information

Programme Objectives

The programme aims to fuse the knowledge, skills, and competencies from participants' undergraduate studies with fresh expertise in business management. This integration equips learners with a solid grasp of core business functions and disciplines while cultivating a critical understanding of the bedrock principles and practice of effective business management.

Programme Learning Outcomes

Having successfully completed this programme, graduates will be able to:

1. Appraise current strategy and operations theories, having examined relevant and current research and literature.
2. Assess current trends in business management and be capable of evaluating the impact of these trends on the business environment.
3. Select from complex and advanced management, marketing, accounting and business innovation skills, and develop new skills to a high level, including novel and emerging techniques.
4. Act in a wide variety of professional levels and demonstrate originality in solving complex problems in a business context. Manage and question the effectiveness of teams and individuals and take responsibility for defining and achieving both personal and team goals.
5. Self-evaluate and take responsibility for career and professional development while enhancing transversal behavioural skills such as reflection, critical thinking, and independent learning.
6. Question and reflect on social norms and relationships and act to change them.
7. Demonstrate a range of standard and specialised research or equivalent tools and techniques of enquiry
8. Appropriate to business, in the context of a work-based learning research project.
