Degree Overview

The Music Minor at the University of Connecticut offers students the opportunity to increase their musical knowledge and further their musical skills. No prior training in music is required. The program requires a minimum of 18 credits in three different categories as detailed below. Music lessons are reserved for music majors. In some exceptional cases, a student who performs in departmental ensembles (Choirs, Symphony Orchestra, Wind Ensemble, Symphonic Band, etc.) may be able to arrange lessons with the consent of the Department Head. Participation in departmental ensembles requires a placement audition at the beginning of the fall semester of each academic year.
