Course Details

The LLM Immigration Law is an innovative, flexible programme that will provide you with an in-depth knowledge of immigration law in practice. This course will explore issues such as British citizenship, naturalisation and registration as well as asylum claims, deportation and administrative removal. It will also focus on other topics such as illegal working, rent, and the human rights challenges in relation to immigration policy and the decisions. On completion of this LLM you will be equipped with the skills to critically evaluate these areas, and then offer practical suggestions with a solid reasoning for your solutions.

When you study the LLM Immigration Law with us you will:

- **Be taught by our expert lecturers**, including subject matter specialists, former and current practitioners, and research and teaching focused academics.
- **Research and critically evaluate** the key theories, concepts and principles of immigration law as applied in the UK.
- Learn about the context within which immigration law operates and interplays with other areas such as **economics and politics**.
- **Benefit from strategic partnerships** with firms, regulators and accreditation bodies, which inform our programme development.
- **Improve your employability** by gaining important transferable skills and mapping your career with our careers team.
- **Strengthen your network** - connect with other students, faculty and industry professionals on an international scale, and seek out opportunities for future placements and job opportunities.
- **Increase your earning potential** - the 2023 Graduate Labour Market Statistics found that postgraduates on average earn £5,000 more than their graduate counterparts.
- **Enjoy flexibility** - We understand that everyone's circumstances are different. That's why we offer a wide range of study modes (full-time, part-time, on campus, online) across our courses to provide you

with the greatest choice and flexibility you need to succeed in your studies.

- **Get ahead of the competition** - gain in-depth knowledge of your topic of interest and become a subject expert, which will provide you with a competitive edge in the job market.
- **94% of postgraduates** were in employment or further study 15 months after graduating (2021/22 Graduate Outcomes data). Contains HESA Data: Copyright Jisc 2024.
- **Prepare for the future of Legal Technology** – study modules in legal technology and gain insight into this emerging area of law.
