## Speciality

**Pathways Available:** International Foundation Year

**Sandwich course fees** - charged during the placement year away from the University of Bradford for students on thick sandwich courses, or during the year in which the second placement falls for students on thin sandwich courses. Students charged at 10% of the equivalent full-time fee.

If a placement year is to be undertaken abroad and supported by University funding through the University's exchange programmes, fees will increase to 15% of standard fees to cover additional support, advice and administration costs.

**As part of this course you will be required to purchase a lab coat worth £10.**

## Additional information

# Degree Overview

Graduates gain a professional Master's qualification in physiotherapy, opening up a range of career opportunities as a physiotherapist in the sport, exercise and health and wellbeing sectors. It also

provides foundation for further research study.

MPhysiotherapy Sport and Exercise Medicine contains all the modules from the University's highly regarded BSc (Hons) Physiotherapy programme. This curriculum is extended with additional sport and exercise specific modules and enhanced research.

You will undertake a range of placements in professional and amateur sport settings, including the University's Physiotherapy and Sport Rehabilitation Clinic, as well other physiotherapy settings.
