Speciality

International College Dundee

If you do not meet our academic grade requirements for your chosen course, we can offer you an alternative route to begin your studies. Our international incorporated degrees will develop your subject knowledge, academic English and university level study skills.

Pathways Available - International Stage One

Tuition fees for International students will increase by no more than 5% per year for the length of your course.

Additional information

Degree Overview

At Duncan of Jordanstone College of Art & Design, we echo animation industry practice as closely as possible. You will work to briefs, learning about professional production practices within a variety of specialisms.

Our course is constantly developing to reflect an ever-changing industry, requiring graduates with new skills in new processes and software all the time. With graduate credits in Game of Thrones, Spider-Man: Far From Home, and the Disney Channel, our course is recognised for graduates who have the skills employers need.

Study Reasons

Our graduates are in-demand and are known for their professional team working skills, creativity, and technical proficiency. They have been employed all over the world in a variety of specialist positions in the animation, games, and VFX sectors
