## **Study Reasons**

- You will be set up to move into working in management or financial accounting jobs in the
  corporate, public or voluntary sectors. You can follow pathways into accountancy via the main
  professional bodies in the UK, and bypass some of the foundation level examinations needed
  for qualifying as an accountant.
- Our careers team is available to support you from the start of your studies until after you
  graduate. They will help you build your CV, prepare for interviews, and meet and learn from
  successful graduates working at the top of their careers. You'll also have opportunities to work
  with our partners across London and beyond, and to attend a Roehampton jobs fair where you
  can find out about graduate opportunities and meet employers.
- Roehampton is ranked 3rd in London for student satisfaction in Accounting (NSS 2021).
