Degree Overview

If you have a HND/DipHE qualification, this programme allows you top up your qualifications to a full degree, giving you access to more graduate career opportunities. This one-year top up programme is designed to provide a firm understanding of business management and economics. It will equip you with the skills you need for a successful career in business. This top-up degree is designed specifically to develop you as a 'business ready' graduate: a confident, independent thinker with a

detailed knowledge of business management, and equipped with the skills to adapt rapidly to change. Our academics have extensive experience of organisations and will support you to connect your learning to the realities of business management and economics. You will be supported throughout by your Personal Tutor, who will help to guide your learning and career development. You will also have access to our extensive range of employability events. Alongside this, we provide a wide range of other opportunities to develop and learn, including a career mentoring scheme, student-led Business Society and online careers portal.

Study Reasons

- The skills and knowledge you go away with will put you in a strong position for pursuing jobs in the UK's most important sectors and occupations, including financial services, management consultancy, risk analysis and economic think tanks.
- Our careers team is available to support you from the start of your studies until after you graduate. They will help you build your CV, prepare for interviews, and meet and learn from successful graduates working at the top of their careers. You'll also have opportunities to work with our partners across London and beyond, and to attend a Roehampton jobs fair where you can find out about graduate opportunities and meet employers.
