Additional information

International Year One - Accounting Banking and Finance

This course will help you develop a broad understanding of business organisations, the economy, markets and finance. Knowledge in this field is helpful to work in almost any sector or industry, giving you varied career options.

Overview

The International Year One course at Bangor University International College offers a combination of first-year university subjects and English language and academic study skills.

Students will gain a comprehensive understanding of business, covering core principles in economics, law, management, and mathematics. Upon completion, students automatically progress to the University of Bangor for two more years of study.
