Additional information

Degree Overview

Psychology at Bangor University was founded in 1963 and is one of the UK's oldest and largest psychology departments. We regularly rank among the top 10 in the National Student Survey for overall student satisfaction and with over 1,000 students we're also one of the largest departments in the UK. Not only are we highly ranked for our teaching but we also have a global reputation for the quality of our research. In the most recent Research Exercise Framework, we ranked in the top 20 in the UK with 89% of our research considered either 'Internationally Excellent' or 'World leading'. This research feeds directly into our teaching ensuring a fresh, vibrant learning experience and a large and varied range of modules studied with academics who have an international reputation in their specialist area.

Study Reasons

- Careers prospects for psychology are very board-ranging due to the fact that it provides high-level literacy and numeracy skill and at Bangor University focuses on transferable skills throughout their degree.
- There are a large number of specialist research labs including a 3T MRI scanner, TMS Labs, EEG facilities and a Brain anatomy laboratory.
