## Additional information

## Degree Overview

Whether you're considering a career in economics, human resource management, accounting, finance, marketing, or management, a Bachelor of Commerce from The University of Notre Dame Australia will put you ahead of the pack.

With a focus on small class sizes and approachable teaching staff, complemented by client-based projects and guest speakers, this degree combines both practical and theoretical components so that students gain a holistic appreciation and understanding of the business environment.

You will have the opportunity to Major in a variety of disciplines such as Accounting, Economics, Finance, Human Resource Management, Management, Marketing, Public Relations, and Sport & Recreation Management. The wide choice of disciplines on offer allows you to customise your degree to suit your personal and professional interests and academic strengths.

Upon finishing the Bachelor of Commerce program, you will have the ability to apply commerce disciplines to real-world situations, be equipped with critical thinking skills and be relevant to the role of commerce in a broader social and political context.

## Study Reasons
