Additional information

Discover our online M.S. in Psychology – Mental Health program

Gain valuable insight into human behavior and how it is shaped by life experiences ranging from everyday workplace relations to traumatic events in our 100% online Master of Science in Psychology with a concentration in Mental Health. In this mental health psychology master's program, you will develop an advanced understanding of how addiction, trauma, and stress present challenges to people of all backgrounds.

Our supportive faculty works closely with you and provides quality, individualized feedback. Serve your community and apply what you learn through a hands-on, faculty-guided capstone project that addresses the needs of a nonprofit organization. You can use this online psychology master's degree as a pathway to continue into a doctoral program.

Career opportunities:

- Postsecondary Instructor
- Case Manager
- Children's Division Worker
