Accommodation Costs:

- The Green Village: £85 per week
- Townhouse: £75 per week

Speciality

Pathways Available: Pre-Master's

Sandwich course fees - charged during the placement year away from the University of Bradford for students on thick sandwich courses, or during the year in which the second placement falls for students on thin sandwich courses. Students charged at 10% of the equivalent full-time fee.

If a placement year is to be undertaken abroad and supported by University funding through the University's exchange programmes, fees will increase to 15% of standard fees to cover additional support, advice and administration costs.

Additional information

Degree Overview

This course combines finance and accounting with a detailed examination of other disciplines required for the management of organisations. This also allows you to consider financial decision-making from multiple perspectives. You will be able to apply your knowledge and skills gained from these disciplines in your final dissertation.

Key elements include:

- business economics
- operations management
- strategic accounting and financial management
- international business
- marketing planning and strategy

As you will study and gain skills in all areas of business, you'll have a broad range of career paths open to you on graduation. You will be able to explore further to study for a professional accountancy qualification after completing this programme.
