

## **De Montfort University**

### **Biomedical Science**

#### Study details

Course type: Bachelor's degree Degree: BSc (Hons) Biomedical Science Study mode: Full time Duration: 36 Month

Cost of study

Cost : 16 250 GBP Reg. fee : N/A GBP Scolarship : Insurance : N/A GBP

#### Intake/s

Sep

#### Requirements

#### English language requirements

If English is not your first language an IELTS score of 6.0 overall with 5.5 in each band (or equivalent) when you start the course is essential.

- IELTS 6.0 for Art and Design, Business, Computing and Engineering courses
- IELTS 6.5 for Law courses
- IELTS 6.0-6.5 for Humanities and Media courses
- IELTS 6.5-7.5 for Science courses

Certificate of Secondary School Education

#### Accommodation

Whether you are hosting an international conference, a live music performance, organising a meeting or arranging a celebration, you'll find the perfect space conveniently located with service to match.

- Dance Studio Hire
- Conferences
- Exhibitions and fairs
- Filming & production locations
- Meetings, workshops & training rooms
- Performances and productions
- Special occasions and celebrations

International Year Zero

Additional information

# **Degree Overview**

Biomedical science is the term for the investigations carried out on samples of tissue and body fluids to diagnose disease and monitor the treatment of patients.

This degree is highly sought after in NHS pathology centres, forensic science laboratories, research institutions and the biotechnology and pharmaceutical industries. Successful graduates can benefit from entering a dynamic profession with long-term career prospects in research, specialised laboratory work, education and management.

In this course you'll study a range of topics including anatomy and physiology, biochemistry, cell biology, microbiology, immunology and more. Throughout the course, you'll be exploring the analytical skills needed in modern biomedical science, along with research and diagnostic techniques.

### **Study Reasons**

This course is professionally accredited by the Institute of Biomedical Science, which enables our graduates to gain the necessary skills and qualifications sought by employers.

This course has 93% employment rate
