## Speciality

Pathway international year zero is available

## Degree Duration

- 4 years : 1 year pathway + 3 year degree
- 5 years : 1 year pathway + 4 year degree - with placement

## Additional information

## Degree Overview

This degree allows you to specialise in business logistics and supply chain management in sectors such as retail, service, manufacturing and fashion. You'll study modules in processes and value chains, project management, economics and international purchasing. This programme helps to meet a demand for qualified personnel who can efficiently source and buy materials and resources. Our graduates have gone on to roles in buying, procurement and logistics in companies such as KPMG, ASDA and Ford.

## Study Reasons

- Students on our business and management courses benefit from our mentoring scheme, Generator programme and the experience of our strong network of partner organisations
- Business, management and marketing courses at Greenwich University are ranked in TOP 3 for course variety in London (University Guide 2021)
- Career opportunities in transport and logistics roles include logistics operations manager, supply chain manager, procurement officer, transport manager, operations director, project manager and distribution manager.
