## Additional information

## Programme description

The master's degree in "International Relations" is the choice for you if you are interested in current political, social and economic challenges and would like to obtain two degrees, which will increase your attractiveness in the job market.

Our curriculum covers topics such as **theory and analysis of international relations**: you will understand the main theories and models of international relations analysis or **foreign policy and international security**: you will be prepared to analyze the foreign policy of countries and learn about global security challenges.

Additionally, during your studies **you will expand your knowledge of the mechanisms that affect political and social life at the local and regional levels.**

**This program allows you to obtain a double diploma in "International Relations" - one diploma from Lazarski University, the other from a renowned British university.**

## Examples of positions in which graduates of this specialty work:

- diplomat
- diplomatic service worker
- political analyst
- international development specialist
- international trade specialist
- humanitarian aid worker
- intelligence analyst
- coordinator of ngo programs
- international affairs consultant
- mediator

## Programme benefits

### Why choose our specialisation?

- **interdisciplinarity and global scope**: the study program provides an interdisciplinary approach, covering politics, economics, law, culture and many other areas,
- **practical experience**: internship opportunities in various organizations such as government agencies, embassies or international NGOs,
- **excellent academic staff**: the program is taught by experienced academics and practitioners who have extensive teaching and research experience in the field of international relations.

## What will you gain by choosing "International Relations"?

- **you will obtain two diplomas - a British and a Polish one**, which can open doors to work in different countries and organizations around the world,
- the possibility of **interning in various international organizations, embassies or government institutions**, which will enable you to gain practical work experience,
- **leadership skills**: the program trains students in leadership, which is useful in managing international projects and activities in international organizations.
