#### Additional information

### Course overview

This MBA with specialist pathways provides a rigorous, intellectually demanding and vocationally relevant programme of study in business and administration. It has been designed to develop high levels of transferable skills, analytic and critical appreciation and evaluation of theory and practice of management in the context of an international and global environment. The programme of study enhances participants' critical understanding of their knowledge, experience and strengths and how to deploy these to become effective managers in a range of different organisations.

All participants will take four core modules (10 ECTS each):

- Global Strategies
- Managerial Finance
- Leadership and Organisational Behaviour
- Applied Digital Marketing.

Two modules are also taken reflecting the MBA pathway chosen. All participants take a major dissertation/project module (30 ECTS) on a topic related the pathway chosen.

The achievement of the MBA qualification will enable you to further enhance your career as a socially and ethically engaged, globally connected professional who is creative, enterprising and innovative.
