Additional information

Degree Overview

Gain a deep understanding of global political dynamics and learn to address critical international issues, such as conflict resolution, global governance, and human rights. The MA in international relations and diplomacy course equips you with essential skills to navigate complex relationships between state and non-state actors, offering solutions to challenges like cybersecurity, climate change, and economic crises in global affairs. This master's in international relations and diplomacy degree provides a comprehensive understanding of international relations. Choosing an international relations course from Schiller is a smart choice for a successful career in diplomacy.

Study in the USA, Heidelberg, Madrid, Paris, or through distance learning. Our program equips you with the tools to analyze global markets, recommend strategies for sustainable economic growth, and address key global challenges. You will benefit from real-world insights, career guidance, and networking through our partnership with the United Nations Institute for Training and Research (UNITAR). The master's in international relations and diplomacy program offers a unique blend of theory and practice.

Top students will graduate with official UNITAR certification at a prestigious ceremony at the UN in Switzerland. Plus, high-performing students can apply for exclusive 3-month internships with international organizations, kick-starting their careers in global affairs and diplomacy. Our international relations and diplomacy program also offers an opportunity to undertake an internship with an international organization. Consider earning a master's in international relations and diplomacy in Europe to enhance your career opportunities.

Global Curriculum:

With Master of Arts in diplomacy program, gain the critical knowledge to address global inequality, environmental policy, finance, and diplomacy through the lenses of Business, International Relations,

Economics, and Public Policy.

Career Enhancement:

Advance your career with real-world projects, personalized coaching, and leadership training, honing abilities in public speaking, crisis management, and diplomacy.

Strategic Knowledge and Tools:

Develop key skills in negotiation, diplomacy, and leadership to navigate international organizations and tackle global challenges, preparing for roles in foreign service, NGOs, or global corporations with our master program in international relations and diplomacy.

Exclusive Graduation and Internships:

Graduate at the UN in Geneva with a Master's Degree and Fellowship Certificate, and apply for prestigious internships offered by UNITAR and Schiller.
