## Course Details

This course will focus on forms of global and regional (international) human rights regulation in Europe, America and Africa, comparing the different systems and issues therein. You will develop a broad understanding of human rights law and theory, considering a variety of specific rights and other relevant international laws.

**When you study the LLM International Human Rights Law with us you will:**

- Be **taught by our expert lecturers**, including subject matter specialists, former and current practitioners, and research and teaching focused academics.
- **Benefit from strategic partnerships** with firms, regulators and accreditation bodies, which inform our programme development.
- **Improve your employability** by gaining important transferable skills and mapping your career with our careers team.
- **Strengthen your network** - connect with other students, faculty and industry professionals on an international scale, and seek out opportunities for future placements and job opportunities.
- **Increase your earning potential** - the 2023 Graduate Labour Market Statistics found that postgraduates on average earn £5,000 more than their graduate counterparts.
- **Get ahead of the competition** - gain in-depth knowledge of your topic of interest and become a subject expert, which will provide you with a competitive edge in the job market.
- **Enjoy flexibility** - We understand that everyone's circumstances are different. That's why we offer a wide range of study modes (full-time, part-time, on campus, online) across our courses to provide you with the greatest choice and flexibility you need to succeed in your studies.
- **94% of postgraduates** were in employment or further study 15 months after graduating (2021/22 Graduate Outcomes data). Contains HESA Data: Copyright Jisc 2024.
