Additional information

Earn a respected MAT in Secondary Education (9-12) online

Jump-start your high school teaching career with the Master of Arts in Teaching in Secondary Education (9-12) online program from Avila University. Acquire the pedagogical knowledge, research-based teaching methods, and practical classroom management strategies needed to help secondary students achieve their academic goals. You will learn from responsive, field-tested faculty who can help connect you to local job opportunities.

This Avila online master's degree in secondary education is handcrafted for motivated career-changers like you because you don't need prior teaching experience or an education-related bachelor's degree to apply. Upon graduation, you can gain your initial teaching license in Missouri. Choose a certification area in Biology, Business, Chemistry, English, Marketing, Social Studies, or Speech/Theater.

In this education online program, you will:

- Use theoretical knowledge, research, and culturally responsive practices to create a positive learning environment that promotes the intellectual, social, and personal development of all students
- Apply principles, theories, and methods of effective curriculum design, instruction, and assessment
- Promote learning, critical thinking skills, and social responsibilities of all student populations
- Model professionalism through effective internal and external communication, self-reflection and professional growth, and productive and effective collaboration with students, colleagues, and stakeholders

Career opportunities:

- Biology Teacher
- Business Teacher
- Chemistry Teacher
- English Teacher
- Marketing Teacher
- Social Studies Teacher
- Speech and Theater Teacher
