Additional information

The course is structured so that your individual qualities and interests can be identified and developed.

This course is industry recognised by ScreenSkills, the industry-led skills body for the UK's screen-based industries and carries the ScreenSkills Select endorsement which indicates courses best suited to prepare students for a career in the screen industries. The course has very close links with industry and with a range of practitioners involved in all aspects of television and media production. Teaching staff also have direct personal experience.

In Year 3 you will study and engage with practical and theoretical approaches to TV production, linking directly to industry contexts.
