Requirements

Entry requirements

The entry requirement for a postgraduate taught course is typically equivalent to a UK Second Class Honours Second Division (2:2).

The table below shows how the University equates qualifications from your country to UK degree classifications

Qualification	UK 1st Class	UK 2:1	UK 2:2
Bachelor degree	4.5/5.0 or 81%	4.0/5.0 or 71%	3.5/5.0 or 66%
Specialist Diploma	4.5/5.0 or 81%	4.0/5.0 or 71%	3.5/5.0 or 66%

Speciality

Pathways Available: Pre-Master's

Sandwich course fees - charged during the placement year away from the University of Bradford for students on thick sandwich courses, or during the year in which the second placement falls for students on thin sandwich courses. Students charged at 10% of the equivalent full-time fee.

If a placement year is to be undertaken abroad and supported by University funding through the University's exchange programmes, fees will increase to 15% of standard fees to cover additional support, advice and administration costs.

Additional information

Degree Overview

It offers a diverse portfolio of modules, covering areas including:

- theory and practical applications of clinical psychology
- neuropsychology
- health psychology
- cognitive neuroscience

Teaching is delivered by staff with extensive research expertise, and you'll have the opportunity to work on new and ongoing research within the Division of Psychology at the University of Bradford. We also offer the opportunity for work experience in relevant health, person-centred and/or research related areas.

The course is ideal if you want to build a career in clinical psychology*, or are looking to work in the health and social care sector. It also provides an excellent route into doctorate level study, and could enable you to undertake a PhD.
