Additional information

Degree Overview

Degrees in Banking are accredited by the Chartered Banker Institute, ensuring quality, industry relevance and enhancing your career prospects.

Explore the role of banks and finance in the modern global economy. Using information from a number of sources, students will study the theory and practice of international banking and financial markets and their behaviour. Students will apply theory to real-world problems.

You will study the diverse international banking systems, money, investments, and regulations which have become increasingly important in recent years.
