- A GPA between 3.25 and 3.49 is \$10,000 per year
- A GPA between 3.5 and 3.74 is \$15,000 per year
- A GPA greater than 3.75 is \$20,000 per year

Additional information

Degree Overview

Political science is the study of politics, government, and their relationship with other aspects of society. Courses in political science enable students to use political theory and empirical analyses to make sense of their world, to interpret political phenomena in the United States and in other areas of the world, and to understand global politics. Political science students gain research, critical thinking, and writing skills that help prepare them for a variety of careers including law, public service, electoral politics, public policy, nonprofit advocacy, international relations, business, journalism, communication, and academia.

Study Reasons

Gain research, critical thinking and writing skills that help prepare you for a variety of careers.

Use political theory and empirical analyses to make sense of your world.

Take courses on subjects that include democratization in the Middle East, Chinese politics, immigration and citizenship, the politics of globalization, and more.
