Additional information

Degree Overview

An understanding of the past is essential to shaping the present and future. History majors and minors are asked not to memorize facts, but to develop the reading, writing and research skills necessary to understand the past and face the future. The undergraduate program leading to a B.A. in history provides rigorous training in research, analysis, and writing. Because students of history learn to evaluate evidence, write well, and think clearly, the history major is excellent training for almost any career.

Study Reasons

The B.A. in history provides the analytical and research skills needed for future success in this diverse field, providing students the opportunity to specialize by region, time period or issue area.

Study topics that society continues to grapple with, like violence, political power and religion.
