Please note that students completing the British curriculum are not eligible to apply upon completion of the IGCSE/GCSE; we require at least one additional year of education. Additionally, we do not accept the BTEC for admission at this time.

Progressing students into Syracuse University receive the following merit awards for each subsequent year of enrollment based on the cumulative GPA earned upon the completion of the 30 credit hours:

- A GPA between 3.25 and 3.49 is \$10,000 per year
- A GPA between 3.5 and 3.74 is \$15,000 per year
- A GPA greater than 3.75 is \$20,000 per year

Additional information

Degree Overview

The sound recording technology program provides technologically inclined musicians with the practical and theoretical background needed for success in today's music production industry. The program provides a multidisciplinary bachelor of music (B.M.) degree with coursework in music, acoustics, sound production, new media design, computer science, and mathematics.

Study Reasons

Develop technical and managerial skills that are essential to the profession.

Engage in a high level of cross-disciplinary collaboration, with exposure to production techniques for many musical styles and media deliverables.

Graduate with a portfolio of work that includes classical, world, popular and jazz styles
