Accommodation

With a cost of living comparable to other major global cities, studying in Dubai is an excellent investment in your future. The average cost of living for an international student is 1 245 – 2 100 EURO per month including rent.

Speciality

MBA's at UE take place on campus, but the specialised modules will be taught online.

Spotlight Module "Cross-cultural Management"

In the specialization module "**Cross-cultural Management**", students delve into the intricacies of managing diverse **cultural environments** within organizations. They begin by reflecting on the concept of culture and various approaches to studying it, understanding its relevance to **organizational management**.

For Dubai applicants

- 1st Year - 14 300 Euro

Additional information

Further your career - with an MBA in International Business

In addition to the basic concepts of international business, you will be trained in-depth to analyse the factors that influence marketing in different markets. Not only will you understand how cultural, social and economic differences affect consumer behaviour, but you will also be able to develop global marketing strategies that address these issues. An emphasis of the **MBA with specialised modules in International Business** is on exploring and solving complex challenges in the international business environment. You will learn how to identify, evaluate and solve potential problems that may arise in cross-border business activities.

Throughout your studies, you'll gain valuable skills in International Business Law and Regulations, International Marketing and Branding, as well as Global Market Analysis, among others. With these competencies, you're well-equipped to succeed in the international business world and advance your career.

With an **MBA in International Business**, you have a wide range of career opportunities available to you. Career paths include roles such as **Regional Marketing Manager, International Business Developer, Head of Exports, and Project Manager**.
