Additional information

Course Details

The LLB (Hons) Law with International Business degree course focuses on key legal topics and a variety of different aspects of international business practices. These include Human Resource Management, Marketing, Leadership and Strategic Management. It is designed to give you a well-balanced choice of subjects. You will study all of the required areas of law as well as having a diverse range of international business modules.

Over 90% of our lecturers are qualified lawyers so you will learn to apply law and develop the practical skills employers are looking for today. To make sure that you have the skills to be versatile, we have also embedded important transferable skills in our courses. We want to make sure you feel confident that you can graduate and head straight into the workplace with the skills that employers are looking for.

With this Law with International Business course you have the opportunity to choose to undertake a business research module in your third year. This double module offers you the chance to focus specifically on an aspect of international business that is of personal interest, allowing private research and study with the support and guidance of an allocated lecturer.

When you study Law with International Business with us you will receive:

- The highest standard of teaching from experienced professionals
- Small class sizes
- Study on campus at London Bloomsbury
- A variety of specialist modules to enhance your employment prospects
