Speciality

Note for international students: Full-time MBA students are eligible to receive a regular student visa.

Working during your Studies

We want your studies to fit perfectly into your life. That is why the lecture times for the our **MBA study programmes** are limited to times from Wednesday afternoon to Friday, or Saturday evening, during the semester. This makes it easier to combine your studies with your job.

Spotlight Module "Innovation Management"

In the 'Innovation Management' module of our **full-time Master of Business Administration**, students delve deep into the world of technology and its impact on business strategies. They learn to analyze trends in technology and understand their influence on business strategies. Additionally, the importance of technology monitoring and analysis is highlighted.

Additional information

Beyond Business: Crafting Leaders at UE

Our full-time **MBA (Master of Business Administration)** can be completed in just 1 year. It's fully accredited in Germany and offered in English at multiple campus locations.

Digitalisation, globalisation and an increased demand for sustainability present companies with challenges today. They need qualified specialists and executives who identify and implement innovative and future-oriented business models. The **MBA study programme at UE** is ideal for anybody who wants to advance their career into leading management positions.

Individual & Interdisciplinary

During your **full-time MBA** studies you will learn exclusively from renowned lecturers with practical experience. The focus of our teaching is on your individual support and the personal contact with our teaching staff. Our interdisciplinary selection of subjects allows you to actively shape your studies and your career path. Innovative tools such as the "**CEO Decision Making Business Simulation**" or the "**Professional Competencies Certificate**" prepare you optimally for future management tasks.
