## Additional information

## Course Overview

On the BTEC Level 3 Extended Diploma in Business course, you will develop fundamental skills and competencies in key areas of business. The course is very hands-on and you'll benefit from the workplace experience of your dedicated and qualified lecturers.

The skills you will develop on this International Extended Diploma in Business (Level 3) include work-ready skills such as teamwork, technology, communication, research and analysis. You'll be workplace-ready, as these are the fundamental skills that all businesses look for in candidates.

Working on projects and assignments in teams, pairs and alone, you will develop your ability to understand, reflect and analyse - and build your team-working and leadership skills as you go.

You'll also acquire specialist skills in many different business areas. You'll get an insight into the day-to-day operations of such teams as marketing, finance, customer service or human resources. You'll also start to consider the theories behind the work of these teams, and their impact on businesses of all sizes and sectors.

By the end of your studies in the International Extended Diploma in Business (Level 3), you'll have a clear idea of where you would like your career to go and what your next step will be. You'll be ready to join the workforce, or take on the challenge of level 4 or 5 qualifications such as an HND, leading to even more career opportunities.

## What will you achieve?

With the hands-on, practical approach to learning on this International Extended Diploma in Business (Level 3), you will graduate with more than just a qualification. You'll have gained specific specialist knowledge alongside key workplace skills such as teamwork, research and analysis, flexibility, and

working cooperatively with others.

## Career opportunities

The business world needs qualified people with a solid base of general business skills and knowledge.

Recruiters across all industries and sectors — including those at private companies, multi-national businesses and those working in government - are all looking for people with the types of specialist skills that you will develop on the International Extended Diploma in Business (Level 3).

From teamwork to meeting skills and from research to presentation skills, you will graduate from this business diploma with a range of new strengths that you can apply to any working environment.

You'll be ready to start your career in a range of business areas - or to continue your studies with an HND or even a bachelor degree.

Looking to make your mark in the world of business? This International Extended Diploma in Business (Level 3) gives you a complete introduction to the world of industry, trade and commerce.

It will prepare you with the skills and knowledge you need to enter the workplace, or to continue your studies with a higher education course such as a GBS HND.
