## Additional information

## Degree Overview

If you want to share your knowledge and shape the minds of primary-aged children, we recommend the University of Notre Dame Australia's Bachelor of Education (Primary) qualification. This nationally recognised four-year teaching degree combines educational theory and classroom learning with an essential practical component.

When you study for a Bachelor of Education (Primary) degree at Notre Dame you will be inspired by our innovative approach to teaching and learning with the latest in learning technologies. Our degree will provide the academic skills you need to support, engage, and extend primary-aged children by integrating theory and practice.

As part of your degree, you will choose one specialist subject area. So follow your passion and choose from Science, HASS, Special Needs, Drama, Service Learning and Social Justice, Mathematics, and English.

You will complete 32 weeks of school-based professional teaching practice as an integral part of your degree. You will experience total immersion in a classroom environment and gain valuable insights into your chosen career. Get in touch today to find out more.
