Additional information

Degree Overview

The Roehampton MBA is designed with early career professionals in mind. It focuses on responsible leadership for sustaining competitive advantage and managing projects in a global context. It is designed to provide you with a comprehensive understanding of the main functional areas of business management such as strategy, marketing, finance and organisational change. The Roehampton MBA puts emphasis on the analysis of global organisations' best practices and strategies and it provides the opportunity to pursue a consultancy project with either a multinational corporation or a leading SME in London. This programme has been designed with input from successful senior managers, and will equip you with an understanding of the needs of global business. This MBA will also prepare you for the challenges of senior management within an international business environment. On successful completion of your MBA you will have the knowledge, skills and confidence to lead and manage global business operations; to absorb complex information; to make difficult strategic decisions and communicate them effectively; and to lead and manage cross-cultural project teams. This programme is dual accredited to a CMI qualification. Upon successful completion of the programme, Roehampton on-campus students, who complete the whole programme with Roehampton, will be eligible for a CMI L7 qualification in Strategic Management and Leadership (subject to passing the required mapped CMI modules and CMI moderation).

Study Reasons

- This programme is dual accredited to a CMI qualification
- This course will equip you to work as a manager in a multinational corporation, international SME or start your own consultancy business.
