Additional information

Degree Overview

If you are interested in the care and education of young children, this nationally recognised degree is a perfect choice. The Bachelor of Education (Early Childhood & Care 0-8 years)/Bachelor of Arts degree will equip you with the knowledge and skills to be the best childhood educator and carer you can be. As a result, graduates from The University of Notre Dame Australia are in high demand in the early childhood workplace.

Our degree is a highly structured and intensive program which will qualify you to work in childcare or an early childhood school setting with children from birth to 8 years old.

The Bachelor of Education (Early Childhood & Care 0-8 years) degree combines educational theory and classroom learning with an integral practical component. At the same time, the Bachelor of Arts degree will allow you to major in an area of your choosing to develop your academic standing.

When you study at Notre Dame University Australia, you will be inspired by our innovative teaching approach with the latest learning technologies. Our double degree will provide you with the academic skills you need to support, engage, and extend primary-aged children by integrating theory and practice.

The Education component will cover traditional subjects such as English, Mathematics, and early childhood-specific courses in Play and Pedagogy. In addition, you will carry out the essential practical component of 32 weeks in childcare and classroom settings. A unique feature is that this practicum experience counts towards your degree.

When you study The Bachelor of Arts component, you will choose a major in an area of special interest, such as English Literature, Social Justice, Politics and International Relations, History, Archaeology and Theatre Studies.

Your chosen major will provide you with in-depth, specialist knowledge and skills. Our Bachelor of Arts degrees will develop your ability to analyse, interpret, deliberate, draw conclusions, communicate, work as a team member and problem-solve, all skills needed in the 21st-century workplace.

Graduating with a double Bachelor of Education (Early Childhood & Care 0-8 years)/Bachelor of Arts degree will give you the edge and open further employment opportunities.
