#### Requirements

##### Academic requirements

- Minimum 2:2 honours degree, or equivalent, from a recognised university in any subject
- Bachelor Degree (4 Years)
- GPA of around 2.75/4.0 for courses requiring a UK 2:2 equivalent
- CGPA 3.2/4 or 4.0/5 for courses requiring a 2:1 equivalent

##### English language requirements

- IELTS 6.5 (or above) with no single element below 5.5 or equivalent.

##### If you don't meet the academic requirements

Applicants with non-standard prior learning and or relevant work experience and training are encouraged to apply. A CV (curriculum vitae) made up of prior work experience and training would need to be submitted for consideration by our faculty alongside the standard application.

Candidates coming through the non-standard route, such as through relevant work experience or old qualifications, will be invited to discuss their application.

All applications will be considered on an individual basis.

##### Accommodation

Please note that your tuition fees do not include the cost of course books that you may choose to purchase, stationery, printing and photocopying, accommodation, living expenses, travel or any other extracurricular activities. As a Northumbria University London Campus student, you will have full access to our online digital library with over 400,000 e-books and 50,000 electronic journals.

- Contact time in class – typically in lectures, seminars and tutorials
- Access to facilities, including computers, on-campus Wi-Fi, printers, vending machines, quiet study spaces

- Student support services such as our Ask4Help Service. Find out more about the services available to you on our Student Support page
- Access to online resources, including 24/ 7 Library with over 400,000 e-books and 50,000 electronic journals.

## Additional information

### Overview

In 2021, the financial services sector contributed £173.6 billion to the UK economy, 8.3% of total economic output (The House of Commons Library, 2022).

This MSc Business with Financial Management programme will provide you with the essential business knowledge, personal skills, and financial insight needed for a wide variety of roles in business and finance. The aim of this course is to not only enable you to specialise in financial management, but also to develop skills which are highly sought after by employers.

### Key facts

- Develop your general understanding of business fundamentals with an in-depth insight into the financial world.
- This course has been specifically developed for non-business graduates, so no prior knowledge of business is needed.
- Specialise in Financial Management in the second semester.
- Newcastle Business School is accredited by the prestigious Association to Advance Collegiate Schools of Business (AACSB). According to AACSB, “Approximately 6% of the world’s schools offering business degree education have achieved AACSB accreditation, demonstrating a commitment to high-quality, rigorous standards, innovation, and continuous process improvement. Read more about our ‘double’ AACSB Accreditation.
- Upon completion of your programme, you will be eligible for the QA Professional Pathways programmes which will enable you to further develop your skills with one of the UK’s largest providers of IT and project management training.

- This course is also available as an Advanced Practice option, where you'll gain all-important work experience and professional skills that will enhance your overall employability.
