#### Requirements

At DGHE, we review applications individually, considering each applicant's unique circumstances. Whether you hold a UK qualification, possess work experience or have obtained qualifications from overseas, we are open to discussing your application and exploring potential pathways for admission.

Examples of accepted qualifications

- a pass in a BTEC HND in a relevant field
- or a Foundation Degree in a relevant field
- or other Level 5 UK or Overseas qualifications in a related field

Non-standard qualifications & Mature applicants

• We encourage mature students who are 21 years of age or older to apply. At DGHE, we value mature students' diverse experiences and perspectives. While some entry requirements may still apply for this programme, we welcome applicants with relevant work experiences and carefully consider each one individually.

English Language Requirements:

IELTS 5.5 / 4/C in English GCSE / Functional Skills Level 2

Students who have studied in a country where English is not the primary language will be required to meet our English Language Requirements.

However, if you have previously studied a BTEC HND in an English-speaking country, you will be exempt from taking the English test when applying for a Top-up course.

## Additional information

The objectives of the BA (Hons) Business Management are as follows:

- Provide all students with in-depth knowledge and understanding of the core functions of business and management.
- Critically evaluate and plan for a range of contemporary business and management scenarios.
- Develop the intellectual skills necessary to contribute to effective business practice and problem-solving.
- Prepare students for graduate employment, research, further study and lifelong learning by developing their intellectual, practical and key (transferable) skills.
- Enhance the employability of graduates through the blend of academic study and skills development.
- Develop enterprise and entrepreneurial skills.

In this programme, you will develop a good understanding of the nature of business management. The course will focus on the ability to think critically and will, therefore, enable students to analyse and evaluate solutions to complex, real-life problems.

\*This course is delivered two days per week or two evenings plus Saturday. In addition, learners are required to attend a personal tutor meeting twice per semester.
