Additional information

Overview

Become an expert in real estate management: We provide you with interdisciplinary and practical knowledge from the real estate industry as well as from the fields of construction and architecture.

Career Opportunities

You are an expert in the development and operation of real estate and complex facilities. You always keep the users and overall costs in mind, whether you work for the owner, the builder, or a service

provider. You take on key roles in various sectors, such as:

- Residential real estate
- Property management
- Public sector
- Project development
- Industrial and commercial companies
- Consulting firms
- As a real estate agent
