#### Requirements

### General MBA/MS Admissions Requirements

- A baccalaureate degree from an accredited college or university (or its equivalent).
- An undergraduate cumulative grade point average (GPA) of 3.0.  
If your undergraduate cumulative grade point average (GPA) is below 3.0, you may be asked to schedule an interview with our admission team, AND/OR asked to enroll in an online 1-credit pre-requisite course(s), OR you may take and submit an official GMAT or GRE score.
  - Touro College's GMAT score report number is MN8-Z3-04.
  - Touro College's GRE score report code is 2903.
- Two letters of recommendation.
- A current resume.
- 500-word essay/personal statement  
You may write about your life's journey, passions, and/or causes you support. Most importantly, tell us why you've decided to pursue graduate studies.
- Computer literacy in Microsoft PowerPoint & Excel. You may provide us with a transcript of relevant courses, training certificates, an online LinkedIn badge, or submit proof of competency by sending us a PowerPoint & Excel file for evaluation.
- Proof of immunization (must be submitted prior to the start of in-person and hybrid classes).
- International Students: You will need to submit an Official Credential Evaluation Report from a NACES accredited agency (please contact us for a Touro discount with some of these agencies). If your undergraduate education was in a language other than English or you are not a citizen of an approved English-speaking country (check with us for the approved list), you must also submit one of the following:
  - A Duolingo English Test score of 115 or above. OR;

- A TOEFL internet-based score of 83 or above. TOEFL score report for Touro University Graduate Business is code 6737. OR;
- An IELTS test with an overall score of 6.5 or above. OR;
- Pearson TE (Academic) score of 58 or above. OR;
- Successful completion of English proficiency in an approved language school (contact us).

Students who completed their undergraduate studies at an English-speaking school and can provide documentation verifying that the course of study was in English may be exempt from taking the English proficiency test.

## Additional information

As new government regulations arise and corporate finances come under greater public scrutiny, more and more businesses need competent accounting professionals with the skills and acumen to responsibly affect corporate decision-making.

Our Master of Science in Accounting program provides students with a comprehensive education in accounting essentials, including budget planning and control, audit and evaluation of controls, financial measurement, and documentation and reporting.

Our students graduate ready to take—and pass—the uniform CPA examination. Many go on to excel in careers in industry, tax law, government, and non-profit organizations.
