Rents in Munich are generally high. Students therefore often share apartments to save costs. Rentals are often unfurnished. Below are some examples of rental options:

- Room in shared apartment: Renting a room in an apartment can range from €500 to €700 per month, depending on the size and location of the room. Utilities (electricity, heating, Internet, licence fee etc.) are typically excluded and can add another €80-€100 per month. The bathroom and kitchen are usually shared and rooms can either be furnished or unfurnished.
- Renting a studio (one room with kitchen and own bath): Average rents for these apartments range from €700 to €900 (plus utilities), depending on the size, quality, and location of the apartment.
